EDUCATION

Quantum University

Roorkee, Uttarakhand

Bachelor of Technology (B.Tech.), Computer Science and Engineering

2024 – 2028

- Specialization: Artificial Intelligence & Machine Learning
- Current CGPA: 8.07/10
- Relevant Coursework: Data Structures & Algorithms, Object-Oriented Programming, Database Management Systems, Operating Systems

EXPERIENCE

Samatrix.io

Remote

Machine Learning Intern

July 2026 – Present

- Implementing 1-Day 95% Value at Risk (VaR) calculations...
- Implementing 1-Day 95% Value at Risk (VaR) calculations to analyze financial portfolio risk.
- Performing data preprocessing, financial data analysis, and quantitative risk evaluation under mentor guidance.
- Collaborating with mentors and team members to develop analytical solutions for financial risk assessment.

PROJECTS

Disaster Sense | Python • Machine Learning • IoT

QHackathon

- Developed an AI-powered disaster monitoring solution for early disaster prediction and environmental monitoring.
- Integrated Machine Learning concepts with IoT-based sensors to support real-time disaster detection and monitoring.
- Collaborated with a multidisciplinary team to research, design, test, and present the solution during QHackathon.
- Designed a workflow for real-time disaster monitoring and early warning using AI and IoT technologies.

TECHNICAL SKILLS

Programming Languages: C, C++, Java, Python, SQL

Core Computer Science: Data Structures and Algorithms (Learning), Object-Oriented Programming, Database Management Systems, Operating Systems

Artificial Intelligence & Machine Learning: Fundamentals of Machine Learning (Learning)

Developer Tools: Git, GitHub, VS Code, Oracle APEX, Jupyter Notebook

ACHIEVEMENTS

- Received the **Visionary Award** for the Disaster Sense project at QHackathon.
- Solved **40+** Data Structures and Algorithms problems on LeetCode, demonstrating consistent problem-solving practice.
- Selected for a one-month Machine Learning Internship at Samatrix.io, contributing to a Portfolio Risk Assessment project.

CERTIFICATIONS

- Machine Learning Internship – Samatrix (Ongoing)
- QHackathon Participation Certificate
